# TURNER & WARDEN

Musical Theatre writing duo creating fun, heartfelt family shows with tongue-in-cheek humour and contemporary, pop-fuelled soundtracks

## CHARLIE TURNER

Charlie Turner (Music and Lyrics) is a songwriter who works with a wide range of artists including X Factor winner Shayne Ward and other award-winning writers. Most recently, her song 'Battlefield' was the first single for Kerry Ellis ft Sir Brian May from Kerry's album 'Kings and Queens'. Charlie is also a member of Mercury Musical Developments' Advanced Writers Lab I.

## LIV WARDEN

Liv Warden (Book) is a writer who trained at Soho Theatre Writers Lab and the National Theatre Playwriting course, where she wrote her debut play ANOMALY. The show went on to have a South American transfer in 2022 after a sold out London run at The Old Red Lion Theatre in 2019. She was also accepted onto the Channel 4 Screenwriting mentorship scheme in 2021, where she wrote her first TV pilot CHILDREN OF BETHLEHEM.

As a writing team, Turner & Warden's musical theatre debut was GRETEL! A NEW MUSICAL which had a short sold out run at The Other Palace in 2019. It then went on to be developed into THE CLOCKWATCHER. The pair presented an excerpt of the show in 2023 as one of the winning teams at the inaugural Overture Artist Showcase to an industry audience.

"Liv and Charlie, as young women on trend, have created something fresh and exciting. They are proving why theatres should be investing in young female writers and creatives."
